## Introduction

We are a premier vending service! We aim to provide great customer service while treating every customer like they are a part of our family, providing quality vending services with a personal touch. Easily accessible to all businesses and individuals looking for vending services. Keeping our machines well stocked, clean, and fully operational is our #1 priority. Friendship provides various vending options, from; snacks, drinks, hot and cold beverages, frozen food, and any other products to meet our customer's needs.

***83% of employees/customers said having snacks or drinks close by is a huge perk. Employees, staff and customers will not have to leave the workplace for their mid-day pick-me-up. Your team will be thrilled to save time and money, and you will get more accomplished having everyone on-site.***

## Who We Are

We are a family owned and operated vending company that puts the needs of those we serve ahead of any other value. Our home-grown and operated business is fully insured and working daily to ensure growth.

1. We carry various options of brand name traditional and health conscious choices.
2. Premier customer service with exceptional vending assistance is our expertise.
3. We offer personalized and detailed programs that are established to meet the specific and personalized needs of each client. The client's needs are what we strive to meet and regardless of the request we will ensure we produce.

Our main objective is to ensure that our clients are provided with superior and cost-effective vending services. Our client's which we see as family are fully equipped with the resources to ensure that patrons and customers who frequent their establishment receive the best service. We provide cost effective service that improves customer retention and also elevates the mood of the work environment. We have a guarantee of improving any work space with customized snack programs and options that are business specific.
